

Development Plan of the Star Global School, Rohtak

1. Year Wise Academic Development Plan:

- | | |
|--|---------|
| a. Addition of Class VIII & Introduction of Maple Bear | 2021-22 |
| b. Addition of class IX | 2022-23 |
| c. Addition of Class X | 2023-24 |
| d. Addition of Class XI (all Streams) | 2024-25 |
| e. Addition of Class XII (All Streams) | 2025-26 |

This will complete the Academic Development

2. Year Wise Infrastructure Development Plan:

Financial 202-21

- Currently the School Building has all the facility to run the school till class VIII with 13 operational class rooms.
- School has two fields behind the Academic Building and 6 Tennis courts

Financial Year 2020-21

Out of Six existing Courts we will convert two or three of them to Basketball Courts and Volley Ball Courts and Practice Cricket Pitches latest by 15th of April 2021.

Financial Year 2021-22

The incomplete 2nd and 3rd Floor of Existing Building will be completed during 2021-22 latest by December 2022 this work will be completed in all respects with Sr. Secondary Level Science Labs Physics, Chemistry, Biology Labs, Math's Lab, Language Lab and 26 Smart Class Rooms December 2021. The Second lift also be commissioned during this period.

The School will now be ready to have classes' up-to XII with all needed facility.

The Capacity of School at this time will be about 800.

Financial Year 2024-25

As and when the student number increases beyond 800 then we will execute the plan to complete the other Building to add more classes and Labs.
